Applying Hot Fix 10 for Sage CRM SalesLogix Version 7.0.1

This hot fix addresses the following issue:

Defect Number	Description
1-55902	Attachments sent through Outlook using the SEND SLX button are converted to winmail.dat files, and or may not display when viewed by recipients.

This hot fix requires version 7.0.1. Do not install this hot fix on any other SalesLogix version. Contact your support representative or go to <http://www.support.saleslogix.com> to obtain the hot fix.

File Information

File Name	File Contents
SLX_v701_HF10.zip	slmn.dll

Applying the Hot Fix

Apply the hot fix to all Sage CRM SalesLogix Client computers.

To apply the hot fix

1. Close all SalesLogix applications on the computer to which you are applying the hot fix.
2. Extract the contents of the **SLX_v701_HF10.zip** file to a temporary folder.
3. Navigate to the folder where you extracted the hot fix files and double-click **SLX_v701_HF10.exe**.
4. On the **SalesLogix - v7.0.1 Hot Fix 10** screen, select your installation method:
 - **Install the SalesLogix Hot Fix** extracts the hot fix files to a temporary folder and removes the files once the installation is complete.
 - **Extract and Install the SalesLogix Hot Fix** extracts the hot fix files to a location you specify. The files are not removed once the installation is complete. If you choose this option, select a location where you want to store the hot fix files.
5. Click **Next**.
6. On the **Welcome** screen, click **Install**.

The Update Network Images button is available on the Welcome screen. If you created automated installations of the SalesLogix Client, you can upgrade the installations to hot fix 10 using this option (you must browse to the .msi file and click Update).

Automated installations can be used to install the SalesLogix Client for new users. When the automated installation is updated using this method, it contains the initial version of the SalesLogix Client and all service packs and hot fixes applied to your system.
7. On the **Completed** screen, click **Finish**.
