## **'Welcome onboard...'**

You will be welcomed onboard your Sunseeker by your Captain and Crew at 09:30 hours at Ocean Village Marina, Southampton.

After a continental breakfast and a short safety briefing, your Sunseeker will slip its mooring to begin your cruise onboard this breathtaking vessel. You will head east towards Portsmouth, passing the impressive Napoleonic forts. The vessel will then enter Portsmouth harbour to take in the famous sights. As a haven for modern defence ships, submarines and vessels such as the HMS Victory, this historic naval harbour has plenty to see.

From Portsmouth you will cross the Solent water, heading towards the internationally renowned boating town of Cowes on the Isle of Wight. On berthing in the Yacht Haven, Pimm's will be served before being escorted ashore for lunch.

If time permits, you will have the opportunity to have a look around Cowes, and browse the unique selection of shops to be found there.

The event is being held during Cowes Week, one of the UK's longest running and most successful sporting events and is a key highlight of the British sporting summer. It has been held in early August every year since 1826. There will be plenty to see and the Solent will be alive with a mass of colour and other yachts with over 8,000 competitors and 100,000 visitors to Cowes during the event 🍷
