

# TRUCE

## Sunseeker Manhattan 70

SOUTHAMPTON, UK

Based in Ocean Village Marina, Southampton, 'Truce' is centrally located to offer private and corporate day charters.

Brand new in 2012, this Sunseeker Manhattan 70 has three entertaining areas – the main saloon with a dining area for eight guests, the spacious aft cockpit and the sizeable flybridge.

The saloon is equipped with a 48" rise and fall LCD TV, Bose surround sound system, DVD/CD/Radio and ipod docking so you can enjoy your own choice of music on board. There are four attractive cabins with LCD TVs – a master aft cabin, one forward VIP guest cabin, one starboard twin and one port bunk cabin.

A large aft cockpit makes an ideal area for socialising and relaxing with your guests.

The flybridge is always a favourite spot to spend time together and the abundance of seats plus a table provides a great casual area for drinks and refreshments.

The large helm seat, spectator seats and generous sun pad in front of the helm position gives everyone a front seat view whilst you are on the move enjoying a maximum speed of up to 31 knots.

'Truce' has a crew of two on board to take care of you and your guests.
